

PARTNERSHIP EXECUTIVE SUMMARY

Build Your Future Workforce with Explore Careers

Who We Are

Explore Careers are the **#1 platform** employers use to engage with **26,000 high schools, 5,500 technical and trade schools and two-year colleges.**

We understand that building a robust & diverse future talent pipeline is crucial for the success of any organization. That's why we're here to help.

Our platform is tailored to meet the unique needs of employers, providing you with opportunities to connect with students, build your brand, and showcase your organization as a great place to work.

What We Do

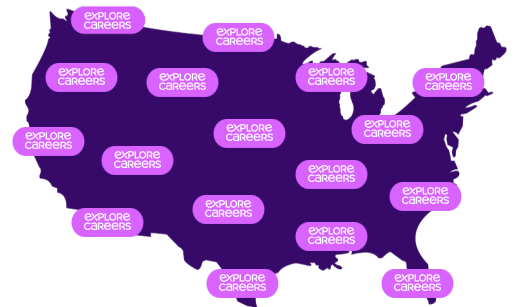

The next generation of top talent is currently deciding which employers they want to work with, so it's time to ask yourself: **will your business be on their list?**

At Explore Careers, we help employers remain top-of-mind, consistently engaging with students, career counselors, principals and parents through our **12-month communication program.**

Our Reach & Audience

26,000 high schools | **15 million students**

Becoming a partner with Explore Careers opens doors to an audience that would take years to cultivate on your own. Our extensive network provides you immediate access to a wide array of educational institutions, **students, career counselors, teachers and parents** across **all 50 states** and beyond.

Connecting you with schools and colleges

We manage a range of activities tailored to elevate your organisation's visibility and engagement. This includes:

Online profile and eMarketing campaigns.

Produce engaging interviews and webinars.

Promote your latest job opportunities.

Organize & coordinate school events.
